ORGANIC CERTIFICATION COST SHARE REIMBURSEMENT APPLICATION

Funding has been provided to assist with the costs of organic certification under the National Organic Certification Cost Share Program. Reimbursement is available to production and handling operations that have been certified by USDA accredited certifiers or are receiving continuation of certification. Only certification costs paid between October 1, 2014 and September 30, 2015 are eligible. Applications must be submitted no later than **October 31, 2015**. Payments to eligible producers and handlers will be limited to 75% of their certification cost (maximum reimbursement is \$750).

To apply for reimbursement, complete this application and provide a copy of the paid bill from the certifier that shows what certification costs were incurred.
